

### Howard University Housing - Standard Damage Charges

*(fees are subject to change)*

The following chart contains information on the cost of repair, replace, or clean any property found to be damaged, destroyed, vandalized or found to be in need of extensive cleaning. All damages are assessed on an individual basis and will be applied to the student account. The following list shows an average price to replace or repair items. Please note the actual cost may vary depending on the extend of the damage and cleaning.
