○○○○ **WELCOME TO HOWARD UNIVERSITY**

It is my great privilege to be among the first to formally welcome you to Howard University as part of the entering class of 2026. We are excited that you and your family have chosen this campus at this time in your life, to begin your personal and professional journey of discovery. You will quickly find that Howard is unique in the landscape of institutions of higher learning in many ways.

Everything that Howard and this community has to offer is within reach to make these next years the best of your life. One of your primary responsibilities as a member of the Howard community is to make wise choices about taking advantage of the benefits of a Howard education. College life requires a great deal of transition and learning new faces and spaces.

Our department is dedicated to providing the information and resources that can help you to become more knowledgeable about our community and the best practices for safely maximizing your time here. Move-in is a special time of year and kicks off the start of the academic year. We want to make sure that you have accurate information and process for the best possible move-in experience. Please take a look at this Move-In guide thoroughly and any additional resources on the Howard University website. On behalf of the entire Department, I look forward to meeting you in August and personally welcoming you and your family to Howard University.

MOVE-IN
TIPS**

The infographic features a central circular arrangement of five white callout boxes, each containing a tip. The boxes are numbered 1 through 5 in large red font. White curved arrows connect the boxes in a clockwise cycle, starting from tip 1 and ending at tip 5. The background is a blurred image of a group of people, likely students, in an outdoor setting.

MOVE-IN PROCESS

HOWARD
UNIVERSITY

MOVE-IN PROCESS

Here is the step by step process to have the best move-in!

Pack your Patience!

1

Move-In is a long day for everyone and we are all working together for a fun and productive day!

Plan your Route

2

Remember there is always construction in DC. We will have significant road closures around Howard; one-way traffic patterns; and planned routes for each Residence Hall to prevent confusion.

Have Documents Ready!

3

When you are in the Car-line be prepared to show HU Staff and Public Safety the required documents for efficient movement through the process.

MOVE-IN PROCESS

4 Check-In

Once you get to the Unloading Zone, the student should exit the vehicle and proceed to the designated Check-In at each Residence Hall.

5 Unload!

After check-in, grab a bin and parking permit for 1 vehicle. You will have 20 minutes to unload. Volunteers will be present to assist and help new Bison Families to welcome you and lend a helping hand for unloading.

Go Park!

6 Immediately after unloading, please head to park your car. There are other families ready to join the moving festivities as well. Towing will be enforced for any abandoned or illegally parked vehicles.

MOVE-IN PROCESS

Unpack!

7

All guests and families are welcome to stay until 10 pm each night of Move-In. Parking permits expire each day at 10 pm.

8

Have Family Fun!

Explore DC and find a great restaurant for lunch or dinner. Some of our local partners take Bison Bucks.
