Tubman Quadrangle
WISH Woodley Park

WELCOME TO HOWARD UNIVERSITY

It is my great honor to welcome all first-year Bison and our new Bison families to Howard University, and to welcome back all returning Bison and alumni to the Yard. There is no bigger privilege than seeing the excitement of new scholars discovering this historic institution, and their new home city for these next important years of their lives.

You will receive a lot of information about housing and facilities access over the next few days, but it is our highest priority to make sure that you are aware of the campus safety standards for our living and learning environment.

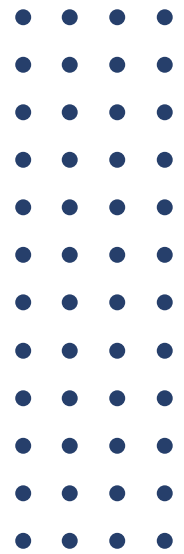

These standards begin with your actual move-in date. Howard University is welcoming families from around the world over the course of several days, which means that everyone must be equipped to arrive on campus with patience and efficiency as the hallmarks of success.

Officers from the Department of Public Safety and volunteering employees and students will be present to help everyone unload and download into rooms quickly. But 1,000 supportive Bison will never be an equal substitute for your own watchful eyes and engaged mindset.

MOVE-IN 2023

Excellence in Truth and Service,
Marcus Lyles

Executive Director of Public Safety and Chief of Police

MOVE-IN PROCESS

MOVE-IN PROCESS

Here is the step by step process to have the best move-in!

Pack your Patience!

1 Move-In is a long day for everyone and we are all working together for a fun and productive day!

Plan your Route

2 Remember there is always construction in DC. We will have significant road closures around Howard; one-way traffic patterns; and planned routes for each Residence Hall to prevent confusion.

Have Documents Ready!

3 While you are in the Car-line display your Residence Hall in your window to show HU Staff and Public Safety for defined directions for unloading.

MOVE-IN PROCESS

4 Check-In

Once you get to the Unloading Zone, the student should exit the vehicle and proceed to the designated Check-In at each Residence Hall.

5 Unload!

After check-in, grab a bin and parking permit for 1 vehicle. You will have 15 minutes to unload. Volunteers will be present to assist and help new Bison Families to welcome you and lend a helping hand for unloading.

Go Park!

6 Immediately after unloading, please head to park your car. There are other families ready to join the moving festivities as well. Towing will be enforced for any abandoned or illegally parked vehicles.

MOVE-IN PROCESS

Unpack!

7

All guests and families are welcome to stay until 8 pm each night of Move-In. Parking permits expire each day at 8 pm.

8

Have Family Fun!

Explore DC and find a great restaurant for lunch or dinner. Some of our local partners take Bison Bucks.

HOWARD

TRAFFIC PATTERNS & PARKING

TRAFFIC PATTERNS

- Please use the given traffic patterns to help move around campus for Move-In
- You will have 15 minutes to unload

PARKING

Parking is located in various locations around Howard University.

- Each Residence Hall has designated parking.
- Each student will pick up a Parking Pass upon Check-In.
- Only 1 pass will be issued per student.

Towing will be enforced on all streets and parking lots.
